B.L.A.S.T. I.U. #17 North

Canton, PA

Project Date: 2003-present

Status: Complete

The transformation of existing 3,840 Sq. Ft. restaurant into a Northern Tier headquarters for the BLAST I.U. Two wings are added to each side increasing the office & work area capacity. Set along a hillside just outside of Canton, this new building maintains an attractive, yet non-imposing look.

This is achieved by the use of decorative brickwork, massive columns, metal roofing, & tinted glass.
