ROBERT A. LACK, AIA PROFESSIONAL EXPERIENCE

Principal Architect, Robert A. Lack, AIA, Architecture & Design, Inc - 1984 - Present

KEY PROJECTS:

- **The Deane Center for the Performing Arts** **Wellsboro, PA**
Full Architectural services beginning as pro bono work for a local theater company. Currently fundraising for a 35,000 SF., \$8 million Urban in fill Community Theater.
 - **Towanda Memorial Hospital** **Towanda, PA**
Exhaustive documentation and analysis of the existing facility. Extensive staff input yielded a realistic 5-10 year plan, complete with budgets, space needs, and calendar coordination.
Towanda Medical Surgical Expansion -
A 20,000 Sq. Ft. expansion and renovation to the existing Medical Surgery facilities at Towanda Memorial Hospital. The Upper level will include 33 private and semi-private rooms, and the lower level will include the Hospital's Outpatient Therapy facilities.
 - **Bloomsburg University Residence Life Study** **Bloomsburg, PA**
 1. The Feasibility study examines the residential life lobbies, study areas, and lounges as a starting point for ultimately creating ideal public places that will be utilized by the students. The planned amenities are targeted to attract students to the University.
 2. Key Features - Dormitory lobbies, exterior details, and pedestrian flow through out the lower campus was analyzed in order to determine the successful and unsuccessful applications and organizations, in an attempt to resolve the conflicts between pedestrian and automobile infrastructure.
 3. **Northumberland & Luzerne Halls** - Completed in 2004-2005
 4. **Lycoming Hall - Current In-** Design
 - **JPM Headquarters** **Lewisburg, PA**
Multiple projects including Master Planning, scheduling, and full Architectural Services for office and manufacturing spaces. Original corporate offices and manufacturing facility was completed in 1988. Upon continued expansion, the corporation relied on our office once again to create their corporate headquarters. We recommended the reuse of an existing warehouse facility and created an exciting, daylit office and training facility which maximized building reuse and included site restoration aspects.
- Charles Ferris Associates, New York, NY**
- Intern architect in 1984
- Charles Frates, Architect, Philadelphia, PA**
- Intern architect in 1982-83
 - Created a model of the Architecture building for Philadelphia University Planning.
