OLD MAIN STREET ELEVATION

PROJECT DATE: 2006

PROJECT DESCRIPTION: THIS IS A COMPLEX URBAN IN-FILL PROJECT WITHIN THE BLOOMSBURG HISTORIC DISTRICT. LOCATED ON A VERY BUSY CORNER, THIS 21' x 80' PROPERTY WAS DESIGNED TO MAXIMIZE THE USABLE SQUARE FOOTAGE FOR THE RESTURANT AND SEATING ON THE FIRST FLOOR AND TWO APARTMENT UNITS ABOVE. THE EXTERIOR WAS DESIGNED TO RECALL THE 'BOOMTOWN' STOREFRONT WHICH ONCE STOOD ON THIS PROPERTY. MODERN MATERIALS AND CONSTRUCTION METHODS WERE USED FOR LOW MAINTENANCE AND DURABILITY.
