Lewisburg Home

Lewisburg, PA

Project Date: Current

Status: Under Construction

New single Family residence in pastoral farm setting. The four primary sections of the home are designed to create a sense of history.

The stone, central section is designed as the "original" house, followed by a larger, formal addition to one side and an "Ell" connecting to the "barn", or garage. The large deck and brick hearth stand atop an existing foundation on the site, incorporating the old masonry as a beautiful landscape element.

230 Market Street
Lewisburg, PA 17837
