## Lake Makoma Residence

Trout Run, PA

Project Date: 2003-Present

Status: In Design Development Phase

Originally 1200 sq. ft., the clients desired to expand the home to include an informal living space, larger kitchen, more functionally located stair, and additional second floor sq. footage. The back entrance was also in need of a more presentable aesthetic, and for a solution a grand entrance was designed, which incorporated a similar stone pattern as seen in the existing portion of the house.

230 Market Street  
Lewisburg, PA 17837
