## Scott Township Municipal Building

Bloomsburg, PA

Project Date: 2006

Status: Complete

In 1992 we designed and built the Scott Township Municipal Building.

This building was designed to house the Scott Township Police Department, the zoning office, and a public meeting room. The Scott Township Sewer Authority again hired us in 2005 to complete a 900 SQ. FT. addition, which will include two offices, a multi-purpose room and a file room. The addition was complete in March 2007 and the staff wonders how they worked in the small in-efficient office, once shared by 4 and now only 2.
