St. Andrews Episcopal

Lewisburg, PA

Project Date: 2000-2004

Status: Full Architectural drawings and services

To further enhance the existing church structure, the new foyer/entrance will stand up as a focal element. The church is endeavoring to comply with the ADA disabilities act and design to meet the needs of the elderly church members. The new expansion includes sacristy, reverse the sanctuary, and construct a new kitchen and classroom.
