## Wellsboro Residence

Wellsboro, PA

Project Date:

Status: Completed

This home was designed on a hill outside of Wellsboro, PA with a magnificent view. The home is approx. 6,800 SQ. FT. including a fully finished basement. The home was constructed with I.C.F Block, insulated concrete form, and metal stud walls. The exterior consist of cultured stone, siding and shingle roof, which blend with surrounding environment.

Some of the key features of the home are the cathedral ceilings in the great room, movie theatre in basement, walk in cedar closet, wine cellar, formal living room and dining room, and a master bedroom with private fireplace and patio.
