## Winfield Residence

Winfield, PA

Project Date: 1998-1999

Status: Completed Full Design development and construction  
document services, provided support during construction.

Construction of an Approx. 2,190 SQ. FT. residential home, built off of the existing footprint and foundation piers. The home overlooks the Susquehanna River. The open floor plan design allows for maximum daylight with some privacy in the bedroom areas. The garage was recently renovated to match the colors and design of the new home.
